## From the Driver's Seat

I hope this newsletter finds everyone doing well now that it is 2020 and you all had good holidays filled with lots of friends and families. Anyone receiving their newsletter via the postal service, you will notice the newsletter is in black and white. We will go back to color printing in the spring when we have more pictures to share.

For those of you who are not aware yet, I felt that as your director, it was inappropriate for me not to own a vintage Chevrolet and I changed that! This past fall my dad found

an ad in Hemmings for a 1931 Chevrolet Special Sedan that just needed a little elbow grease. The car is complete, but more like a 10,000 piece puzzle than an automobile. My dad and I have started working on it and I will be giving updates throughout the year.

On the VCCA side, as always this will be a quiet winter. There are numerous swap meets throughout Michigan including the Script A meet at McDonald's GMC/Cadillac in Saginaw on January 26th, the KAARC February 1-2 at the Kalamazoo event center, CPI's meet at 4 Mile Showplace in Grand Rapids on Feb 16th, and the East Side A's at Russ Milne Ford in Macomb Twp on March 17th. If you are not in Michigan, I am sure there is something near you. Just a reminder, the Points and Condenser Preservation Society will meet February 1st and March 7th at 884 Railroad St in Ypsilanti. I will be attending on March 7th and would like to encourage any and all VCCA members to attend. Even though it is winter, go out and show your Chevy spirit!

~Tim Reinke
