From the Driver's Seat

I know you were worried that the club had forgotten about you, but we haven't! I hope everyone enjoyed their holidays even though they may have been more subdued than usual. I greatly missed my Grandma's butterhorns, but I will appreciate them even more next year! I have been staying busy at work and working on my 1931 Sedan. It is officially a rolling chassis but not under its own power. The engine has been disassembled and my Dad and I are starting to clean up the engine pieces!

The Board of Directors met on a conference call on January 24th to discuss the 2021 calendar. We decided to leave the calendar mostly untouched. The only change was a minor one. Instead of a full weekend dust off tour, we are going to meet at the Junction of Hope restaurant in Layton Corners for a day of visiting and an auction. The date of that will tentatively be May 23rd (assuming Covid restrictions allow), so be looking for more information as we get closer. Other than that, we are planning on a normal touring season. The Central Meet will be jointly held by the (new) Western Buckeye Region and the Class Capital Region in Lima, Ohio on July 30th and 31st. It will be an abbreviated affair, but I highly recommend you attend! It is quite close to us and the Glass Capital Region always does a great job!

We are inching closer and closer to seeing everyone in person again, which I am very excited for. Until then, know that we as a club are looking to make 2021 a fun-filled year!
