September comes from the Latin word septem, meaning "seven", because it was the seventh month of the early Roman calendar. So much for the history lesson - on with the show !

The club's next regular meeting will be held September 17th @ 1:00 p.m., during the 29th "Golden Memories" Show, Sloan Museum of Discovery, Flint, MI. Vehicle registration is 9:00 a.m. until noon. The event time (public) is 10:00 a.m. - 4:00 p.m. Don't forget to bring your treasures to sell, for the suitcase swap meet. Nominations for Officers for 2024 will be opened during this meeting. Elections will be held during the regular October meeting in Layton Corners, MI, at Junction of Hope.

Bill Jusela sent me an email a while back about an idea given to him. I ran with it. You know those magnetic flags put on one's vehicles for traveling in a funeral procession - well, would the club be interesting in such a flag (with National Logo, etc) ? I found a vendor who could make such an item. The flag size would be 8 1/4" X 5 1/2". The pole is 11" tall on a round rubberized magnetic base about 1" thick. The flag would be two sided. Cost would be about \$14.00 each. There is no set up fee and free shipping.

Sending "Happy Anniversary" and "Happy Birthday" thoughts and wishes, to those celebrating during September.

Happy Anniversary!
