# CHEVY Chatter

Lower Michigan Region VCCA

From Behind The Steering Wheel - by Bill Anderson

## MONROE SWAP MEET

Monroe's 50<sup>th</sup> Anniversary Swap meet, April 12, turned out to be a day that collector car parts either got washed down by mid-morning rain or hid under tarps, waiting for curious customers to take a peek. We, at LMR had an indoor booth to let prospective members know we have interesting activities on our 2026 schedule. I was joined by Bill Jusela and we visited with Mike and Rick Kaskinen who made the trip from Michigan's western region, then later by Andy Jurski and Chris Cufu from Ohio's Glass Capitol Region.

Aside from the candy dish, the Back to the Bricks flyer attracted the most interest from those who strolled by. The Dust-Off sheet came in second place on the interest scale. No confirmed new members, even though there were many who owned classic Chevys, yet didn't belong to clubs.

## DUST-OFF TOUR

There is still time to sign-up for the Dust-Off Tour May 8 & 9. We have 5 stops on a very busy Friday, and 3 private workshop collections on Saturday. This is a free tour, but I need to know who is coming and all appropriate contact information. Please remember, many of the venues we visit on the tours will not exist indefinitely. Especially the private collections. It may be 5 years or more before we can revisit a private collection.

## 63RD VCCA CENTRAL MEET

Planning conversation regarding next Summer's 63<sup>rd</sup> Central Meet August 14 & 15, 2026 is ongoing. We're always looking for volunteers to help with the simple tasks. Don't be afraid to step-up. The folks at Back to the Bricks are offering free T Shirts to our group. Look for details in an upcoming Chevy Chatter to reserve your shirt. Registration opened in early March, our ad appeared in the April G&D on page 47 as well as a listing on page 9 of the event calendar. An online registration link is located at [Imrvcca.org](http://Imrvcca.org). Need a printable paper form? Send me an email [old50grit@comcast.net](mailto:old50grit@comcast.net).

Again, this Central meet is condensed into 2 days to minimize time, expense, and complexity, the folks at Sloan and Back to the Bricks have set aside space for our group at their venues. Just a reminder, those REGISTERED participants for Central Meet will receive Friday free admission to Sloan Museum.

## MOTHBALL TOUR

There is growing interest in a Western Michigan Mothball tour in the Fall, either late September or Mid-October after Hershey. Now is the time to share your ideas and open your collection and workshop for the rest of us to admire
